**FOR IMMEDIATE RELEASE**

## **ACAP Selects Cody Consulting as First Preferred Vendor for Member/Provider Communications Consulting and Software**

TAMPA, Fla. (Oct. 26, 2012) — The Association for Community Affiliated Plans (ACAP) has selected Cody Consulting as its first preferred vendor for the newly created Member/Provider Communications Consulting and Software category.

The ACAP Preferred Vendor Program provides streamlined access to pre-qualified vendors in areas of interest specific to ACAP plans and their membership. Cody Consulting, which works with government-funded and commercial health plans to maximize efficiencies throughout an organization, brings a refined area of expertise to ACAP's current list of 43 preferred vendors.

"Cody Consulting's expertise in member and provider communications consulting and software will be a valuable resource for our ACAP member plans," said Margaret A. Murray, ACAP chief executive officer. "We are pleased to welcome Cody Consulting to our Preferred Vendor Program."

ACAP member AmeriHealth Mercy Family of Companies sponsored Cody Consulting as a preferred vendor candidate and obtained the unanimous approval of ACAP's 58 member plans.

"We are very happy to be awarded this distinction by ACAP," said Deb Mabari, CEO of Cody Consulting. "We appreciate ACAP and its members recognizing the quality of our work and the value we bring health plans, and we look forward to building productive relationships as a result of being awarded this designation."

**About Cody Consulting:** Cody Consulting works with government-funded and commercial health plans to maximize efficiencies throughout the organization. We help clients strategically integrate operations by streamlining marketing communications; improving regulatory compliance; assisting with Business Process Outsourcing; and offering organizational design/executive search assistance. Our proprietary software CodySoft™ is the first and only project management tool specifically designed for health plans. We specialize in managed care organizations (MCOs) focusing on state- and federally funded health programs. For more information, visit [www.codyent.com](http://www.codyent.com).
